O R D E R

This is to review the order passed by me on 25.5.2007. The civil revision petition is filed against the order of arrest passed by the court below. At the admission stage I had considered the matter and even though the trial court has not committed any illegality or irregularity but in order to avoid straight arrest I granted some time for making the payment. I do not find any error apparent on the face of the record to review the order passed by me and also no other ingredients to attract a review under Order 47 Rule 1 CPC. Therefore review petition is dismissed.
